Summary

Passionate mobile application developer, I began my career with Android development using Java. During this time, I successfully developed and published several Android applications on the google play store, As I developed my skills, I expanded into iOS development, using Swift and SwiftUI. Throughout my career, I have consistently tried to implement best practices and concepts, My current focus is on iOS development, Presently, working as a Software QA Engineer, leveraging my experience in software development to deliver high-quality testing services.

Experience

Developing Native iOS Applications

June 2022 – Present

- [iOS Portfolio](#)

Software Test Engineer at Earthlink Telecommunications

Baghdad, Iraq

March 2022 - Present

- Write automation testing scripts

November 2020 – June 2021

- [My profile on google play store](#)

Drug Recognizer Android Application (Graduation Project)

November 2020 - June 2021

- [Info about the project](#)

Trainee at Beprogrammer.org

Amman, Jordan

Android Applications Developing (Java)

October 2020 - November 2020

IEEE Spectrum LAB 3

Amman, Jordan

Volunteer, December 2019 - December 2019

Tech Stacks

1) iOS Stack

- Swift
- SwiftUI
- Combine framework
- Xcode
- Core Data
- User Defaults
- Handling Document Directory
- URLSession
- Async/Await
- Notifications
- Animations
- Mapkits
- MVVM

2) Android Stack

- Java
- Android Studio
- Networking (Volley Library)
- Shared Preferences

3) Testing Stack

- Selenium with Robot Framework for web testing
- Appium with Robot Framework for mobile apps testing (iOS, Android)
- Selenium with Java
- Appium with Java
- Gherkin Language
- Manual Testing
- API Testing

Other Skills

- Agile
 - Jira
 - Confluence
 - REST API
 - Postman
 - Slack
 - Version Controls (Git, GitHub, and GitLab)
 - MS Office Professional
 - Team Work
-

Education

- Bachelor's Degree in Computer and Communications Engineering
Al-Zaytoonah University
Amman – Jordan, 2016 – 2021
-

Languages

- Arabic - Native Speaker
 - English - Professional Working Proficiency
-

Memberships

- IEEE Member since 2016
